

Conditions of Slaughter

- It is a New Zealand Food Safety Authority requirement that the allowable variance to the tally on the ASD does not exceed 3%.
- The following will only be accepted with prior approval.
 - Merinos.
 - Horned animals.
 - Johnes vaccinated animals.
- All animals must be free of dags, leg dags and dirty bellies.
- Sub-standard livestock may be returned to the farm at the owner's expense.
- Additional stock arriving over and above the number confirmed on Thursday the week prior to supply must have plant approval. Excess numbers that cannot be accommodated will be returned to the supplier at their cost.

Contact and Complete (C&C)

- C&C payments apply to suppliers who confirm by midnight Wednesday the number to be delivered the following week.
- At least 85% of the confirmed number must be delivered to qualify for this payment.

Information Use

- The information you have supplied will be seen by others in an abridged form and used in the scheduling and planning of the daily slaughter requirements of the plant.
